**Prayer Spaces in Schools** enable children and young people, of all faiths and none, to explore faith, prayer and life's questions in a safe, creative and interactive way. They work best when developed in **partnership** between the local church and school.

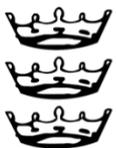

We will look at how to host prayer spaces both **indoors** and **outdoors**.

This training is for anyone involved in Spiritual Development in Schools: LLMs, church volunteers, subject leaders and teachers. **We suggest delegates attend in pairs with a representative from Church and School.**
