"With all this going for us, my dear, dear friends, *stand your ground. And don't hold back. Throw yourselves into the work of the Master*, confident that nothing you do for him is a waste of time or effort"

1 Corinthians 15:58 – The Message

"*The house was in a miserable state, the garden was desolate, neither meat nor bread within the door, and two fine boys were lying in bed because they had no clothes*". Mr Budgett immediately ordered meat from the butcher, bread from the baker, sent groceries, sent a tailor to clothe the children, hired a man to till the garden, and gave the family an allowance of 12 shillings a week for a very lengthened period, until this man, who lacked get-up-and-go, found work

"Quote"

"Charming and self-effacing, Major-General Dare (his real name) Wilson never lost his appetite for adventure. In his autobiography, he wrote, "*It was a great experience at the age of 80 going down the Cresta Run, lying on my stomach doing 90 mile an hour with my chin 4 inches from the ice*"

2) A few years ago, the employee colleague of David, a friend of mine in London with a successful small business, left and set up in direct competition. After a while this new business failed, and David took him back. In due course, the Lord said clearly to David, "Give him the business"... so he did, and walked into even greater dependence on God for his own and his family's provision
