

2014-15 @ ENOUGH!

As always, **WE ARE SO GRATEFUL** for your interest and love for the work that we get to undertake under the banner of ENOUGH. This academic year is no exception. It has been a busy year, full of highs and lows and twists and turns as you can well imagine. God has shown us new things, taken us to new places and in all of it, remained incredibly faithful to us. We have recently realised that September 2015, we will be entering our 9th year of running as a Christian youth project from 404. Wow! What a privilege. We hope you enjoy this little update...

HIGHLIGHTS for us over the year:

- We have seen many answers to prayer: provision, people, miracles.
- Steff moving from Swansea to Hartcliffe to be involved in many things with ENOUGH.
- Being able to run a successful course called Me&My Mum.
- Connections being strengthened with BLC, the local all through school.
- Generous people financially supporting The Saints for 15-16 season.
- Booming numbers in our Thursday Girls Group, Minnies.
- Young people being desperate for their friends to come to things at the house and also bringing them to church.
- Football being brilliant. Ending the season with 30+ supporters and not being at the bottom of the table!

Ongoing **BITS AND PIECES** we have managed to juggle or throw in...

-Making our 7th birthday cake for one of the football boys and lots of first cakes given to new young people

-Continuing with Quiet time. Our midweek club for 9-14 year olds, where we eat, do a 'God craft' and play. It is far from quiet!!

-Girls Group on a Monday night is soldiering on, sticking with a few girls who are very vulnerable. It is a real commitment to seeing them through their adolescence.

-The trampoline continues to be a source of unending fun and amusement for so many youth here in Hartcliffe. Thank the Lord we haven't had one accident on there!

-Mentoring and 1-2-1 support of some boys and girls who just need an extra bit of love and care.

-Supporting and being there for some chaotic families through their daily lives.

SUMMER is going to be busy for us. Please be praying for the 6 young people who will be joining us at Hill House camp. (Mainly 1-8 August).

404 will be hosting an **OPEN AFTERNOON**. You are invited! KEEP THE DIARY FREE ON 19TH SEPTEMBER, 12pm-2pm.

PRAYER POINTS

- **We are planning to host a 3 day football camp for Year 5-6 in October half term. One of the hopes is that we can purposefully draw the Hartcliffe Saints team in to help run it.
- **For young people & their families over the summer without the support and consistency of school.
- **The preparation for the new football season. We currently have 26 boys coming to training on a Thursday!
- **For the girls groups to have a refreshing break over the summer and to come back excited for the new academic year.

• We are so blown away by your love, prayers and encouragements. We wouldn't have made it to the end of the year without them! **WE HOPE YOU ENJOY YOUR SUMMER VERY MUCH!** With love, Zoe & Suzie

Zoe and Suzie live in the faith that God will provide for all the financial needs of ENOUGH, this means that they don't take a regular wage but that all financial gifts cover everything from rent to living costs to resources and anything in between. The work of ENOUGH cannot continue or develop without the commitment of people's sponsorship. We have been so blessed by those who have financially given to us over the last 8 years and God is continuously faithful in His provision. If you feel that you would like to financially support ENOUGH, we would be so excited and grateful; either as a one off or with an ongoing commitment.

For example:

>£5 per week would help us send 1 lively boy to trampolining. This enables him to have some quality 1-2-1 time and confidence building.

>£50 a month gives Suzie and Zoe the opportunity to do something fun for themselves!

>£70 one off payment gives us the opportunity to get up to 20 young people out of the community and exercise together whilst having fun with one another.

>£3 a day would cover our petrol, rushing from here to there to everywhere! Enabling us to be like 6th emergency to local families!

>£40 a week, feeds up to 18 young people who then stay to listen to how God can be a part of their lives.

>£36 covers the total cost of resources for 6 girls from one school, to complete the Transition confidence building course.

>£20 a fortnight would cover our electric in the house which is where we do most clubs.

>£625 is the cost of our rent for 1 month, which has enabled us to live in the heart of the community for the last 8 years, and many more to come if you are able to give.

Please contact us if you feel that you're in a position to do this and we can give you information on how to best go about financially supporting the work.
