Threads through Creation

25th August to 4th October

‘Threads through Creation’ is a spectacular sequence of twelve huge textile panels. It’s an exuberant retelling of the creation story in the book of Genesis, a retelling which many visitors will find both moving and breath taking. Viewers are treated to a wonderful variety of colours, shapes, patterns – and of course lots of creatures!

The exhibition is one of the largest textile projects by a single artist, ever. It took Jacqui nearly three years to complete. It follows on from ‘Threads through Revelation’, her first huge exhibition which visited 14 cathedrals from 2016 to 2018, and was displayed at Victoria in September 2024 to huge positive acclaim.

Saturday 20th September at 3.00pm

Jacqui Parkinson will be giving a talk on her work

Saturday 4th October at 7.30pm

“In the Beginning…” *a reflective evening of music, readings and meditations to accompany Jacqui Parkinson’s Threads through Creation.*

We welcome everyone, people of all faiths and none to this exhibition and the two events.
