

MentorMe

Taster Evening

Nationally, 55% of people reoffend within a year of being released from prison.

In 2024, only 2.5% of people engaging with a MentorMe volunteer mentor reoffended.

Our volunteer mentors are ordinary people making an extraordinary difference to people who have a criminal conviction.

Could you give an hour a week to support someone through mentoring? Are you part of a local church?

Why not come along to a taster evening for a chance to meet some of our volunteer mentors and mentees? You'll get answers to questions like:

- What is the role of a mentor?
- What does the training involve?
- What difference can mentoring really make?
- What qualifies me to mentor someone with a criminal conviction?
- What's the time commitment?
- How am I kept safe and supported?
- What issues might I come across?
